

EQUALITY AND DIVERSITY POLICY

Introduction

Hart Allotments* hereinafter referred to as HA, strives for high standards as a provider of allotments. In so doing, we recognise the need for encouraging diversity and wholeheartedly support a policy of equal opportunities in all areas of our work and responsibilities.

This policy provides guidance to enable all who are involved with HA to comply with anti-discrimination legislation. The policy will also address anti-discrimination issues involving areas that currently fall outside any legislation. Failure to follow the procedures in the policy may lead to appropriate action being taken.

HA will undertake effective monitoring and a willingness to tackle problems where they arise. Through interaction with members and other activities HA will ensure those we work with know our statements of policy.

HA will regularly review the implementation of its Equality and Diversity Policy and strategy. Where evidence is found of ineffectiveness, immediate remedial action will be taken to ensure implementation.

HA urges members, volunteers etc. to be aware of the less obvious types of discrimination which result from general assumptions and pre-conceptions about the capabilities, interests and characteristics of individuals.

Definitions

Equal Opportunities ensures that policies, procedures and practice within HA do not discriminate against its members. It is about treating people fairly and equally regardless of whom they are, their background or their lifestyle.

Diversity ensures that all people are valued as individuals and are able to maximise their potential and contribution to HA and to the community. It recognises that people from different backgrounds can bring fresh ideas and a different approach, which can make the way we work and learn more fun, more creative, more efficient and more innovative.

Direct Discrimination, as defined in law, occurs when an individual is dealt with less favorably than other people on the grounds of race, ethnic or national origin, disability, sex, actual or perceived religion or belief or sexual orientation.

However in terms of this policy the definition is taken to be wider and includes, for example, colour, nationality, marital status or caring responsibility, age, mental health, political, class, HIV status, employment status, unrelated criminal convictions, union activities.

Indirect Discrimination occurs when a provision, criterion or practice puts people of a particular group at a disadvantage and is not justified in relation to the job, for example a rule about clothing that disproportionately disadvantages a racial group cannot be justified.

Victimisation means that if a person has made or is making an accusation of discrimination in good faith, it is unlawful to discriminate against them for having done so, or because they intend to do so or it is suspected that they intend to do so. People must be able to act against unlawful discrimination without fear of reprisals.

* **Hart Allotments Ltd** is an Industrial & Provident Society Reg No 32194R

Harassment means unwanted conduct based on race, sex or age etc. which has the purpose or effect of violating the dignity of a person or creating an intimidating, hostile, degrading, humiliating or offensive environment for the person. Harassment can be sexual, racial, directed against people with disabilities or indeed related to any characteristic exhibited by the individual.

Positive Action refers to measures taken to assist members, or others who have been under-represented in specific areas, to reach a level of knowledge and competencies that is comparable with the law. 'Positive discrimination' at the point of selection for allotments is not permissible.

Policy Statements

Diversity

HA will actively encourage diversity to maximise achievement, creativity and good practice and to bring benefit to individuals and communities. HA encourages all people it works with, and for, to contribute to an environment in which people feel comfortable expressing how they feel and what they need, knowing they will be treated with respect and that their contribution will be valued.

HA will endeavor to deliver services in a way that genuinely recognises the importance of an inclusive society that brings opportunities and access, not barriers to individuals.

Equal Opportunities

HA is an equal opportunities provider of allotments. No member, volunteer, or service user should receive less favourable treatment on the grounds of race, colour, nationality, ethnic or national origin; sex; marital status or caring responsibility; sexual orientation; age; physical, sensory or learning disability; mental health; political or religious beliefs; class; HIV status; employment status; unrelated criminal convictions; union activities. Nor will such person's sex, disability, race, marital or civil partnership status, sexual orientation, religion, colour, nationality or ethnic or national origin, age, trade union membership or non-membership, be disadvantaged by conditions or requirements which cannot be shown to be justifiable.

This principle applies to all aspects of the HA activities and provider of services.
