

## Hart's Green Garden INDIVIDUAL PLOT APPLICATION FORM

The Hart's Green Garden site, off Pale Lane, Fleet is run by Hart District Council in partnership with Hart Allotments Ltd<sup>1</sup> and Hart Voluntary Action. The Green Garden contains:

a) **Individual plots** for able bodied tenants who wish to rent plots in order to grow their own produce. The plots are allocated on an availability basis which means that you may be offered a plot that is some distance from entrance points, water points and recycling areas. Therefore, tenants need to be physically active in order to maintain their plots.

b) **Community Gardens.** Are you looking for an opportunity to meet people in your community, as well as support your health and wellbeing through gardening? The Minding the Garden team is looking for members whatever their ability or disability to join up and enjoy the outdoors together. If this sounds of interest to you and you would like to learn more, please contact Amanda Slater at Hart Voluntary Action on [amanda.slater@hartvolaction.org.uk](mailto:amanda.slater@hartvolaction.org.uk) or 07865 239058.

**This application form only relates to individual plots that are mentioned in a) above.**

Only residents of Hart District Council<sup>2</sup> are eligible to apply for a plot on this site. If you do not live in the County but would like a plot on the Pilcot allotments (Hitches Lane, Fleet) please refer to the Hart Allotments website - <http://hart-allotments.org.uk> and complete the Pilcot Farm application form.
